

Fictional location map

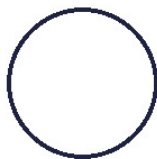

FICTIONAL MYSTERY / READ, POINT, DRAW OR WORK WITH A PARTNER

A cardboard trophy has moved from a pretend display. It is at one of these three invented locations. Use the clue cards and map labels to decide where. No real room search is needed.

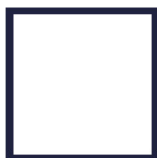

Book corner

Map label: Triangle

Craft table

Map label: Circle

Game corner

Map label: Square

The symbol names work in grayscale. The locations are printed labels, not places to investigate.
