

Three evidence cards

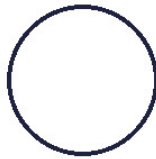

FICTIONAL MYSTERY / READ, POINT, DRAW OR WORK WITH A PARTNER

Cut the three cards apart if wanted. Keep them visible beside the page 3 map. Each card points to the same fictional location in a different way.

Clue 1 / repeating pattern

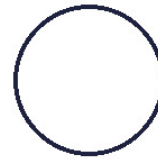

Triangle

Circle

Triangle

Circle

What comes next? Match that shape to the map.

Clue 2 / coded message

Decode the four-symbol message on page 5. Use that word with the map.
Read from left to right.

Clue 3 / two statements

The trophy is not at the craft table.

The trophy is not at the game corner.

Both statements are true in this invented case.
