

Hints and team roles

FICTIONAL MYSTERY / READ, POINT, DRAW OR WORK WITH A PARTNER

Ask for one hint at a time, or work beside an adult. Roles can be shared, swapped or left open. Nobody has to read aloud.

Hint 1 / Clue 1: name the two shapes that repeat. Which shape would come next?

Hint 2 / Clue 2: use one decoder letter for each symbol, from left to right.

Hint 3 / Clue 3: cross out the two locations named in the statements. Which location remains?

Hint 4 / Checking: compare the pattern, code and statements. Do they point to the same place?
